### **Air Ambulance Benefit**

---

The Board of Trustees has adopted the provision below effective 5/11/21.

In the event that a Participant becomes subject to an unforeseeable medical emergency which requires immediate air transport, the Plan will pay for same, provided medical documentation is submitted from appropriate medical personnel that the air transport was critical to insure the health and treatment of the Participant; that no other alternate means would be equally effective; and that same is necessary to provide immediate and critical medical care.
