

Attention Union Brothers and Sisters,

The Hudson County Central Labor Council is proud to partner with Governor Phil Murphy, Mayor Davis and the City of Bayonne, Bayonne Board of Education, Bayonne Education Association and Walgreens to sponsor a COVID-19 Vaccination clinic at Bayonne High School (669 Ave. A) [on Saturday, April 10, 2021](#). This opportunity for eligible workers is available by appointment only and will be held at the Korpi Ice Rink, where Walgreens will be administering the first dose of the Pfizer vaccine. You will be scheduled for a second appointment three weeks from your first dose appointment date at the same time of the day as the first dose.

If interested, you MUST register AND fill out the attached consent form before your first appointment. Please bring your photo ID, health insurance card and pharmacy card (if you have insurance) to the facility.
