

WINTER COAT DRIVE LU 164 RETIREES ASSOCIATION

ALL SIZES ~ ALL AGES ~ CHILDREN & ADULTS

November 1st – December 31, 2026

Our Assn. is once again working with JERSEY CARES that in the past distributed over 40,000 GENTLY USED, CLEAN adult & children's winter coats to New Jersey's homeless and families in shelters.

Once again, we are collecting winter coats. Please bring to any meeting between November 1rd and December 31st or give a call to Dave Judovin, chairman at 973-951-4729

We do ask that you plastic bag all winter coats
Also look for the coat box in the Lobby of JATC
65 West Century Road Paramus, NJ

This program runs for the month of November & December as Jersey Cares starts to distribute in time for the cold weather.

Any questions, please feel free to e-mail Dave at
