TOYS FOR OUR OWN TOTS

Ho Ho Ho!!!

Please help share in the spirit of Christmas by giving a new toy to an IBEW child. This year we are collecting for members who need help during the holiday season.

Collect toys on your job and bring them to our November and December meetings.

**Have a Safe, Healthy and Happy Holiday. Thanks for your help. Any questions, please contact D.J. Heal @ 917-517-7463

Our goal is to deliver, through a shiny new toy at Christmas, a message of hope to our children that will motivate them to grow into responsible, productive, patriotic citizens and community leaders.

Every Child Deserves a Little Christmas
